Rajagiri Viswajyothi College of Arts & Applied Sciences has partnered with ISDC Learning to provide ISDC's ACCA Professional Qualification Pathway Programme.

ISDC Learning is a new-age Learning Provision of International Skill Development Corporation which is a leading Global Provider of British Education and Skills.

ISDC's ACCA Professional Qualification Pathway; Ofqual Regulated Level 6 (RQF) Diploma in Accounting of Training Qualifications UK bundled with the ACCA Accredited Post Graduate Programmes. Ofqual is the Office of Qualifications and Examinations Regulation, a non-ministerial government department regulating qualifications, exams and tests in England. RQF is the Regulated Qualifications Framework; and accredits qualifications in England, Wales and Northern Ireland. RQF Level 6 is benchmarked against the Undergraduate Degree in the UK and Internationally.

The Level 6 programme is integrated with the Knowledge & Skill level modules of ACCA Professional Qualification and on successful completion; it leads to an entry into the number of Post Graduate Provisions accredited by the ACCA which enables students to avail the exemptions from Knowledge & Skill level examinations of ACCA Professional Qualification. ACCA Accreditation stands for a process which enables ACCA to award a specific level of exemption to graduates of an educational programme following a full assessment of the programme's regulations, syllabus and assessments.

ACCA (The Association of Chartered Certified Accountants) is the Global Body for Professional Accountants. ACCA aims to offer business relevant, first-choice qualifications to who seek a rewarding career in accountancy, finance and management. ACCA is a community of professional accountants that provides services to its 2,33,000 members and 5,36,000 students at all stages of their careers through a network of 110 offices and active centers.

The ACCA Qualification is one of the world's leading accountancy qualifications for aspiring financial professionals – providing students with the skills, knowledge and values to have successful careers and lead the organizations they work with into the future.
