COLLEGE EMBLEM

The College Emblem encompasses the essence of the College motto: LEARN, SERVE and EXCEL. The College is centred on the activity of learning as symbolised by the open book, while it also has reference to the Eternal Wisdom, the experience of which is stored in the sacred scriptures of the world. As quoted in the Bible, Wisdom is more beautiful than the sun and all the constellations. She is better than light itself, because night always follows day, but evil never overcomes Wisdom (Wisdom 7:29-30). However, this learning process is not individualistic; it is a process wherein the teacher, the student and the community grow together.

Learning is meant to equip people to serve the world, with a mentality of sharing the limited resources of the world, most optimally. This journey of learning coupled with service which leads to the shores of achievement and excellence, is symbolized by the ship. The crown is symbolic in two aspects: the crown of achievement and Jesus Christ, the King of glory after whom the College is named, RAJAGIRI, the Hill of the King.

Motto

“Learn Serve Excel”

Vision

“Excellence by Knowledge and Practice”

Mission

“To provide excellence in education while instilling social consciousness and human values, thereby empowering individual to face life’s challenges with confidence”.

Brief Profile of RVCAS

Rajagiri Viswajyothi College of Arts and Applied Sciences (RVCAS), established in 2014, operates under the Viswajyothi Educational and Charitable Trust of Sacred Heart Province, Kochi. This is one of the 15 provinces of Carmelites of Mary Immaculate (CMI) fathers, a religious congregation within Syro-Malabar Catholic Church. The congregation's missions encompass education, healthcare, social services, and pastoral care, managing numerous schools, over 800 colleges, hospitals, and social service centres across India and beyond.

At present, the congregation has grown to have a global presence with members serving in various countries. The Sacred Heart Province, Kochi holds a long legacy of educational and social service contributions with its flagship institutions like Sacred Heart College Thevara (estd.1944), Rajagiri College of Social Sciences, Kalamassery (estd.1955), Rajagiri School of Engineering and Technology (estd.2001), Rajagiri College of Management and Applied Sciences (estd. 2005), etc. is now renowned under the banner 'Rajagiri Vidyapeetham' (collective name for Rajagiri Group of Institutions).

Affiliated with Mahatma Gandhi University, Kottayam, RVCAS is located in the rural expanse of Vengoor, Perumbavoor, in the Ernakulam District of Kerala. Spanning over 9 acres, the college began modestly with 19 students and 7 teachers across two academic programmes. Today, it has grown into a prominent institution, significantly contributing to the development of Vengoor Grama Panchayat and surrounding areas.

RVCAS is committed to holistic education, inspired by the vision of Saint Kuriakose Elias Chavara, a pioneer of the Kerala renaissance, who championed education for all, regardless of caste, creed, religion, or gender, during the period 1846–1871. The college focuses on nurturing

intellectual, emotional, and spiritual dimensions of students. Since its inception, the college has expanded its course offerings and now accommodates students from across the state and NRIs. The institution's commendable pass percentages reflect its dedication to academic excellence and conducive learning environment.

During the COVID-19 pandemic, RVCAS served as a First Line Treatment Centre. The college has also provided flood relief services, and supported those affected by the jaundice outbreak. The sections highlight college's commitment to local populations and humanitarian concerns.

Aligned with National Education Policy (NEP), RVCAS integrates traditional Indian knowledge systems into its curriculum and emphasizes Outcome Based Education(OBE). The college engages in impactful social outreach initiatives, contributing positively to society. Certified with ISO 9001:2015, RVCAS has participated in NIRF and KIRF.

As a Green Institution certified by Government of Kerala, RVCAS exemplifies best practices in environmental sustainability, focusing on water security, waste management, energy conservation, and biodiversity preservation. The campus, with its greenery, trees, pathways, classrooms, and study and relaxation corners, fosters sense of community and provides an environment conducive for studying, socializing, and personal growth.

Rajagiri Viswajyothi College of Arts and Applied Sciences stands as a hub of excellence, nurturing academic growth, creativity, and environmental responsibility. With a vibrant campus spirit and a commitment to innovation, RVCAS shapes well-rounded individuals ready to impact society.

STUDENT GRIEVANCE REDRESSAL CELL(SGRC)

Student Grievance Redressal Cell (SGRC) has been constituted as per the directions of Higher Education Department, Govt. of Kerala.

a. Purpose

To provide a clear and fair process for the reporting and resolution of student grievances.

b. Scope

The Grievance Redressal Process applies to academic and non-academic student grievances, including student complaints of unlawful discrimination or unfair treatment. The grievance procedures are available to any student of the institution involving an alleged violation directly affecting the student by any member of the institute acting in an official capacity or due to any rules of the institution or programme the student is enrolled.

The grievance process in general applies to complaints arising under any of the following:

Academic matters: Academic matters include those which relate to student progress, assessment and examinations, curriculum, and attendance.

Non-academic matters: Non-academic matters do not include 'Academic matters' outlined above. These may typically relate

to decisions or actions involving human rights, financial matters, procedures and policies, handling of personal information and access to records or any other matter that is not considered academic.

C. Grievance Redressal Procedure:

In resolving the grievances of students concerned with any member of the institute acting in the official capacity, Rajagiri Viswajyothi Management will ensure that the grievances of both the parties are heard properly and the grievances are supported by facts and evidences. There are three stages or levels of Student Grievance Redressal:-

Level I: Informal Resolution

Before initiating the official grievance redressal procedure, the student is expected to attempt to settle or resolve the grievance directly with the person(s) involved as early as possible. Every reasonable effort should be made to resolve the matter informally at this level. A satisfactory outcome might be achieved through this discussion. If not, the student can proceed to Level I of resolution.

Students uncertain about how to proceed with the grievance can consult with the Batch Coordinator in order to identify the appropriate person. The student should contact the concerned person within 5 working days of the occurrence of the grievance.

Level II: Formal Complaint

If student grievance is not resolved satisfactorily within 10 working days of communicating the grievance to the concerned person, students may lodge a written complaint to Grievance Redressal Cell regarding the grievance. The student should attach all the relevant information they have to support the complaint and the efforts done as per Level-I of the procedure, to the officer.

Principal should meet the complainant and the concerned persons as he or she deems appropriate for gathering information and to resolve the matter. The person shall submit

a written decision to the Student Grievance Redressal Cell.

Level III: Decision by SGRC

Based on the facts and the supporting documents submitted by the student, SGRC shall take the final decision. If the student is not satisfied with the decision of the SGRC, the student can approach appellate authority headed by the University Vice Chancellor.

Convenors : Ms. Binitha P S and Ms. Ambily K R

The mission of this initiative is to utilize collected fines in a socially responsible manner by supporting orphanages, homes for the elderly, shelters, or other charitable organizations. By redirecting these funds, the institution instils a sense of community care among students and encourages them to view discipline as not only self-beneficial but also as a means to give back to society. The college can make regular contributions to local orphanages, shelters, or community aid organizations from the accumulated funds, creating a structured approach to outreach. Funds could be directed towards specific items needed by these organizations, such as educational materials, food, clothing, or health supplies.

Along side financial support, students may be encouraged to visit these organizations, participate in volunteer activities, or contribute through awareness campaigns. This offers students a firsthand experience of the impact of their contributions. Students gain awareness about the value of social responsibility, as their fines directly support those in need, fostering empathy and a sense of community. By turning fines into an opportunity for charity, students see the consequences of their actions as part of a broader mission, creating a constructive outlook on rules and discipline.
